

האוניברסיטה העברית בירושלים
THE HEBREW UNIVERSITY OF JERUSALEM

The Jerusalem Brain Community

GOLDEN OPPORTUNITY SCHOLARSHIP

for Undergraduates in Brain and Cognitive Sciences

The JBC promotes career development of gifted undergraduate students, in the various fields of brain research, at The Hebrew University.

AMOUNT: \$10,000

We offer up to **10 fellowships**, awarded for a total duration of 15 months - Starting from the second semester of the 3rd year of an undergraduate degree and extending into the first year of graduate studies (either an MA or MSc, or in case of a direct research track to Ph.D). The fellowships will only be awarded to students conducting research in a laboratory of an active JBC member (who participated in at least one the JBC activities or attended JBC-sponsored events in the last 3 years).

The fellowship is offered from March 1, 2018 through May 30, 2019

Eligibility:

- 3rd year Undergraduate students, with a clear interest in brain & cognitive science
- Average grade: 90 or above (or at the top 10% of the class)
- Applications for JBC fellowships are to students conducting research in a lab of a JBC member
- Continuation of the scholarship into the next academic year, will depend on the candidate's acceptance to a MA/MSc program in a field of brain science, at The Hebrew University of Jerusalem

Consideration will be given only to complete applications

Last date to submit applications - January 18, 2018
