JBC Scholarships

The JBC, promotes career development of gifted undergraduate students, in the various fields of brain research, at Hebrew University. We are currently offering, two new fellowships:

JBC's "Golden Opportunity" in Brain Sciences:

♦ [Hebrew University Students, BA/BSc to Graduate Fellowship](#)

A 15 month fellowship, starting from the second semester of a student's 3rd year, towards a BA or BSc degree, and extending into, the first year of studies, towards a master's degree (MA or MSc), or towards a direct Ph.D.

♦ [Non-Hebrew University Students, Graduate Fellowship](#)

A 15 month fellowship, starting from the summer semester of a student's completion of their 3rd year, towards a BA or BSc degree, and extending into, the first year of studies, towards a master's degree (MA or MSc), or towards a direct Ph.D.

The fellowships will only be given to students conducting research in a lab of a JBC member at Hebrew University.

Deadline January 20 ,2017

[Student-Initiated Workshop Grant](#)

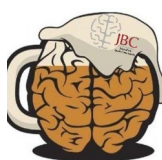

The Jerusalem Brain Community (JBC) aims to encourage future generations of brain researchers (graduate and postdoctoral students) the opportunity to create and develop new links, with local and international researchers in the various fields of brain studies.

For the **third year** in a row, the JBC will support, a **Student Initiative Workshop Grant** of **\$35,000** for a Workshop/Conference to be organized totally by students.

In addition, each of the students of the winning application, will be awarded a travel scholarship of \$1,000, to attend an international conference, related to their research topic.

Deadline January 29, 2017

[JBC Brain & Beer, 2017](#)

The JBC will be hosting the 2nd Annual Brain & Beer Meetings.

This year's opening meetings will be held on **Sunday, January 22th, at the Nocturno Bar on Bezalel Street**. Students, faculty and friends are welcome to join us.
